

3. How much additional acreage was disturbed during the past year? 0
4. Briefly describe any new or additional surface disturbances that occurred during the past year. This description should include the type of work performed, and volume of material moved.  
None to date
5. How much acreage was reclaimed during the past year? 0
6. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.
7. What is the total disturbed acreage at years end? 0
8. Briefly summarize any mining and/or reclamation plans for the upcoming year.  
A notice of intent to drill has been submitted to the Kamas Ranger District along with a plan of operations. Approval is expected within 10 days. The plan of operations will be good for one year from the date it is signed and approved. 2-4 inch holes will be drilled to a depth of 175 feet. No surface disturbance is required.

**NOTE:** Section III., "Additional Information" applies only to large mining operations.

### III. Additional Information

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted.
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.

### IV. Signature Requirement

I hereby certify that the foregoing is true and correct.
